

Disaster Management Centre, Himachal Pradesh Institute of Public Administration Fairlawns, Shimla – 171012.

Disaster Management Centre of Himachal Pradesh Institute of Public Administration has established infrastructure network & resources for undertaking training education and Knowledge dissemination to all stakeholders at different levels with a vision to be a center of excellence in the field of disaster risk mitigation and management for the state of Himachal Pradesh in particular and for the Himalayan region in general. Disaster Management Centre is engaged to promote Capacity Building of Government Functionaries at all level for dealing with multiple disasters. The Training Programmes are organized to officer & officials of State Government, representatives of Panchayati Raj Institutions, Urban Local Bodies, NGOs Mahila/Yuvak Mandals and other Public/Pvt. Agencies etc. Till March, 2013 the Centre has conducted one hundred sixty four training programmes involving **6642** personnels from different institutions.

OBJECTIVES & FUNCTIONS:-

- ❖ To create awareness & knowledge dissemination in the field of Disaster Management.
- ❖ To develop adequate capacity of all stakeholders for dealing with all facets of disaster management.
- ❖ To improve quick response and recovery process without wastage of time for saving the people of the State.
- ❖ To enhance the efficiency & performance level of the disaster management functionaries
- ❖ To disseminate information on important concepts, guidelines, and policies issued by National Disaster Management Authority (NDMA), NIDM and state Disaster Management Authority (SDMA) from time to time.
- ❖ To promote the Capacity building of Govt. functionaries at all levels for preparedness and mitigations measures in Disaster like situation.
- ❖ Act as per guidelines of Ministry of Home Affairs, NDMA, NIDM, SDMA and Government of Himachal Pradesh for reducing, preventing, mitigating disaster risk and creating a system for effective disaster response.
- ❖ Educate the people of the State in consolidating the existing practices and procedures in Disaster Management and to follow the directions taking forward the Disaster Management Act, 2005.
- ❖ To develop a holistic and integrated approach towards disaster management with emphasis on building strategic partnerships with stakeholders and Knowledge institutions at various levels.
- ❖ To establishing a Centre of Excellent to address Climate Change and Environment Induced Hazards (CCEIH) in the State of Himachal Pradesh.

Programmes Conducted During the Financial Year 2012-13

During the financial year 2012-13 financial assistance from NIDM, New Delhi was not available hence,

the budgetary assistance was obtained from State Department of Revenue from the provisions made under 13th Finance Commission's grants. The funds were provided for salary and wages to the staff and organizing specific tasks such as for conducting training programmes Printing of training material, developmental of resource material and documentation of case studies and best practices.

Apart from the above programmes the Institution was also responsible for providing technical support and assistance in conducting trainings for specific programmes such as School Safety Programmes and Rapid Visual screening of buildings and water tanks and pipelines programmes as part of simulation exercise for hypothetical earthquake of magnitude 8 with epicentre at Mandi. The Disaster Management Centre has successfully conducted trainings for important stake holders such as Medical doctors and Industrial clusters by involving and insuring the partnership of important stakeholders such as Directorate of Health & Family welfare and Directorate of Labour & Employment. The important achievements have been the linkages with National Disaster Response Force located at Bhtinda who provided practical demonstration on chemical and industrial disaster and associated response preparedness. Another important programme in which the institute was associated was the validation of template for preparing Village Disaster Management Plan developed by NIDM, New Delhi. This template was tested in one of the village Chamyana near Shimla. The following programmes were conducted during the financial year 2012-13:-

**Detail of Courses Conducted by Disaster Management Centre, HIPA till February, 2013
during the financial year 2012-13**

Sr. No.	Title of course	Dated	Total No of Participants	No of Training Days	Man Days
