Subject: Incidents of drowning in the rivers– instructions reg.

Sir/Madam,

I am directed to refer to the subject cited above and to say that everyday incidents of drowning in the river are appearing in the newspapers. The Government have taken a serious view in this regard. It is, therefore, again reiterated that signages may be installed along river side in big font size both in Hindi and English for the information of tourists and local people. The Dam authorities / Hydro power project proponents may also be directed to release the water from the Dams strictly with prior Alert/warnings failing which they would be held legally responsible in case of any eventuality.

Yours faithfully,

(D.D.Sharma)

Special Secretary (Rev) to the  
Government of Himachal Pradesh.
